

## Skilled Labourer

Gavan Construction Company is a residential builder specializing in meticulously crafted custom homes and high-quality renovations in the Sea to Sky corridor. Our projects are characterized by unique design, exceptional craftsmanship, and an obsessive attention to detail.

### Job Overview

Based in the field on an active job site, the Skilled Labourer plays an important role in supporting construction projects by performing a variety of hands-on tasks under the direction of site supervisors and tradespeople. This position involves preparing and maintaining job sites, operating tools and equipment, assisting with material handling, and performing general construction duties. The Skilled Labourer is expected to work safely, efficiently, and collaboratively to ensure project quality and timelines are met.

### Duties and responsibilities

- Physical labour on construction sites.
- Clean and prepare construction sites as needed.
- Help set up/take down scaffolding and other temporary structures.
- Loading, unloading and transporting materials.
- Assisting carpenters on site with construction procedures.
- Operate basic hand and power tools as directed by site superintendent/ PM.
- Pack up and remove all tools/equipment when not in use.
- Secure and store materials and equipment appropriately.
- Any other tasks appropriate for the job site as directed by management.
- Follow all safety procedures.

### Skills, experience & education required

- High School Diploma.
- Minimum 1 years' experience in construction general labour.
- A valid driver's license.

- Basic understanding of construction phases, principles and safety procedures.
- Knowledge and ability to operate basic power tools.
- Physically fit and able to work outdoors in all-weather conditions.
- Level 1 first aid an asset, but not essential.
